

Angelina Safford Charities, Inc. is a Texas Non-Profit Corporation

*NOT A TAX-EXEMPT ENTITY
*YOUR DONATION IS NOT TAX DEDUCTIBLE AS A CHARITABLE GIFT

Cerebral Palsy, Autism and similar conditions have no cure, but we intend to help children fight it all the way! Angelina is living proof that alternative treatments like Hyperbaric Oxygen Therapy and Craniosacral Manipulation Therapy help lessen the effects of those conditions. Insurance or government programs do not pay for these types of treatments and they are quite expensive.

Thank you for your continued support of Angelina Safford Charities, Inc.!
